**SUBJECT: FUNDING FOR ASPPP CLOSING REPORT  
PROGRAM POLICY ALERT #2006/07-02**

This Program Policy Alert is in response to questions regarding funding to prepare the Adolescent Sibling Pregnancy Prevention Program (ASPPP) Closing Report, due after closure of the ASPPP program.

Per Program Policy Alert 2005/06-04, due to reductions to the State in Federal Title V Funds, funding to provide services to ASPPP clients ended effective March 1, 2006. A requirement for the ASPPP Program closure was a Closing Report describing the disposition of clients into other programs where possible. That report would most likely be developed and completed after the March 1, 2006 closure date. As ASPPP was a sister program to AFLP, time spent on the report after March 1, 2006 would be billed as a part of AFLP report activities.

Please save a copy of this Program Policy Alert with your AFLP records for FY 2005/2006, or FY 2006-2007 depending on when the report was completed, so that in the event of an audit it will serve as documentation that this final Closure Report for the ASPPP Program was an AFLP affiliated service.
